*The 'Canadian Pace Stick' wall display is hand-carved and hand-painted out of solid hardwood in our Oromocto, NB studio. This display holds one 32-39 inches drill cane, Pace Stick or sword display.*

*Your unit history or, moreover, your history can be found in the regimental symbols. Why not display your history with one of our hand-carved holders. We only use select hardwoods such as Oak, Cherry, Walnut, Mahogany and other exotic woods. We create the design and hold the copyright for that design, ensuring there will not be any cheap Computer Numerical Control (CNC) machine copies made. The one you order will be one-of-a-kind and created by hand.*
