Victorian Folding Chair

Can be created in natural
wood or painted

Title: Eagle Chair

by Artist Gary A Crosby MMM CD

Medium: Functional Art

Description: This stunning Eagle Chair is meticulously hand-carved out of solid hardwood, available in oak, cherry, and walnut. The seat measures 16 by 13 inches with the included pillow, while the seat height is 17 1/2 inches without the pillow and 18 1/2 inches with it. The chair weighs 22 lbs, with slight variations in size and weight depending on the type of wood used due to specific gravity. Experience the beauty and craftsmanship of this unique piece of functional art.
