Hand Carved Pace Stick/Drill Cane Sword Display

This design is unique to DW Carving studio. Hand-carved using only traditional gouges, just as the old masters did 400-plus years ago. Then we hand-paint or stain the design to bring it to life. Each of our artworks are genuinely one-of-a-kind.

Specifications

Length: 47 inches or 119.38 cm

Width: 7.5 inches or 19.05 cm

Thickness: 1 inch or 2.54 cm

Will hold a 32 to 41-inch Pace Stick, Sword or drill cane,

Custom designs are available for single or multiple display holders. You name it, and we can design and make it.

Available in

Walnut, clear or stained Oak

Cherry, Apple, Mahogany or other exotic woods.

Consider This

Your display is a holder of your military history; label it as such. I place all my postings on the right side on brass plates and all my missions/ tours on the left. My name retirement rank on the top section along with any hazard badges such as Paral French Commando/ German Paral UK EOD/ Canadian EOD/ US EOD, and the list goes on.

Consider adding your best coins to the list.

Bottom Line

It is your history

If you would like one of our current designs or would like a custom sculpture designed just for you, don't hesitate to contact us using the email below. Or perhaps you are interested in something different, just let us know, and we will work with you to create something unique.
