

Castle Keep Carving

Cottonwood Bark carving

Hand-carved cottonwood Bark carving created in our Oromocto, NB studio.

Castle Keep, (CK01) was carved from the influence of Italy with the tall structure and red roof and door and designed to stand on its own or hang on the wall. Yes there is a little blue Jay on the roof.

Size: 10 1/2 inches tall by 4 1/2 inches wide with a depth of 2 3/4 inches.
