VETERAN

'Framed.' This carving creates a story of a young man when first placed in the frame many years ago and hung on the wall. But years later, after spending his entire life in the same house and wall, the image has aged and grown out of the frame.

Age finds us all!

*The writing on his pipe is in Dwarven, from Lord of The Rings, and states the following. (Just for fun)
-On the bowl: (G.A.C) Gary A Crosby, the artist name that created this carving.
-On the pipe stem, reading from the bottom up (G.T.W) Gandalf The White.*

All of our art comes with time capsule and coin from the Canadian mint, which helps with dating the art. We also supply you with a certificate of authenticity signed by the artist.
