

## ***-LED Humpback Whale Art-*** ***Hand-made cedar & epoxy art***

***Hand-made buy a Veteran  
Chimo!***

***This gentle giant (Humpback Whale) art is hand-carved and hand-painted out of NB Cedar. The Whale is 25 1/4 inches long by 7 1/8 inches wide with a depth of 1.5 inches, sealed and waxed with swirling transparent blue epoxy plus LED lights secured to the back to represent one of the largest mammals in the Ocean. This whale art is an excellent gift for any whale lover.***

*They are designed to hang on your wall and comes with a D-ring hanger on the back of the carving ready to go.*
