Reach For The Sky

Title: **Reach For The Sky**

Artist: Gary A Crosby MMM CD (Soldier turned Artist)

Medium: Sculpture in Cherry Wood

Description:

“Embracing the concept of ‘reaching for the sky’ symbolizes our continuous pursuit of reaching our utmost potential and surpassing it throughout our lives. It is through overcoming challenges and celebrating successes that mold our character and determine our ultimate legacy. Our actions today will influence how we are perceived by future generations and the impact we leave on humanity.”

“Life is a series of events that mold your soul, for better or worse”.

Technical Data: Reach For The Sky, is sculpted out of solid Cherry wood and finished with natural oil and natural Beeswax.

Size: 64 cm tall with a thickness of 3.5 cm. The base is sculpted out of solid African Mahogany and solid Live Oak. Its width is 14 cm.

Price: 850.00 with free shipping in Canada or the US.
