

Muscle Car Chair Carved Cedar Deck Chair with headlights

This deck chair is hand-carved and hand-painted and created in our Oromocto, NB studio. The Muscle Car Chair is made from NB cedar. It comes with working LED headlights and tail lights. You pick the car, and we create the design.

It comes with a functional drawer under the seat, which is very cool.

It comes with working LED headlights (wood) with on-off switch

You pick the car for the back.
