

# Dark Night

1. Down: A large artistic form or objects that all can enjoy?
2. Down: To engage in behavior that goes against the accepted norms of society?
3. Down: It happened all night during the alleged murder?
4. Down: A clue that birds leave behind that can identify the species?
5. Down: Something we have every day, but seem to be having more of the extreme type each passing year?

1. Across: A black, medium size scavenger bird?
2. Across: This sound could be heard on the night of the alleged murder?
3. Across: A four legged domesticated farm animal that provides wool that you would not normally see on the walking bridge.
4. Across: This is a very strange and unusual story, one could say it was \_\_\_\_\_?
5. Across: The other side of the moon constantly in habitual \_\_\_\_\_?
6. Across: A group of crows gathered together.
7. Across: When you walk on the alleged crime scene, you will not see one of these anymore.
